**DEBTORS' OMNIBUS REPLY IN SUPPORT OF DEBTORS' FIRST OMNIBUS
OBJECTION PURSUANT TO 11 U.S.C. § 502(b) AND FED. R. BANKR. P. 3007 TO
CERTAIN (I) DUPLICATE AND AMENDED CLAIMS AND (II) EQUITY CLAIMS**

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates (the
"Affiliate Debtors"), debtors and debtors-in-possession in the above-captioned cases (collectively,

the "Debtors"), hereby submit this omnibus reply (the "Reply") in support of the First Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Duplicate And Amended Claims And (ii) Equity Claims (the "First Omnibus Claims Objection"), and respectfully represent as follows:

1. The Debtors filed the First Omnibus Claims Objection on September 19, 2006 to disallow and expunge (a) certain "Claims," as that term is defined in 11 U.S.C. § 101(5), because such Claims are duplicative of other Claims or have been amended or superseded by later-filed Claims and (b) Claims filed by holders of Delphi common stock solely on account of their common stock ownership. The Debtors sent each claimant whose proof of claim is subject to an objection pursuant to the First Omnibus Claims Objection a personalized Notice Of Objection To Claim, which specifically identified the claimant's proof of claim that is subject to an objection and the basis for such objection. Responses to the First Omnibus Claims Objection were due by 4:00 p.m. (Prevailing Eastern Time) on October 12, 2006.

2. As of October 18, 2006 at 9:00 a.m. (Prevailing Eastern Time), the Debtors had received ten timely-filed responses (collectively, the "Responses") to the First Omnibus Claims Objection. Of the Responses, six were filed by holders of duplicate or amended Claims and four were filed by Delphi equityholders. Of the Responses filed by holders of duplicate or amended Claims, four of the respondents did not contest the relief requested by the Debtors, but filed their Responses to assert certain reservations of alleged rights. The remaining two respondents requested that the Debtors reverse the "Surviving Claim" and the "Claim To Be Expunged" as listed on Exhibit B to the First Omnibus Claims Objection (the "Duplicate and Amended Claims Exhibit"). For the Court's convenience, a chart summarizing the Responses by respondent is attached hereto as Exhibit A.

3. In addition to the Responses, the Debtors also received informal letters, e-mails, and phone calls from various parties requesting clarification of the relief requested in the First Omnibus Claims Objection or seeking to switch those duplicate and amended Claims that the Debtors have designated as "Surviving Claims" and "Claims To Be Expunged." Generally, the holders of Claims listed on the Duplicate and Amended Claims Exhibit have requested that a certain duplicate or amended claim be retained as the surviving claim as opposed to the claim designated on the Duplicate and Amended Claims Exhibit.¹ The Debtors believe that all formal and informal responses from claimants with Claims listed on the Duplicate and Amended Claims Exhibit have been consensually resolved in accordance with the changes to the exhibit attached to the Revised Order (defined below).

4. As mentioned above, the Debtors received four formal Responses filed by Delphi equityholders. In response to these pleadings, the Debtors communicated with the respondents and clarified the relief requested in the First Omnibus Claims Objection. Specifically, these equityholders erroneously believed that the First Omnibus Claims Objection sought to eliminate their common stock interests in the Debtors. Because the First Omnibus Claims Objection does not purport to eliminate their stock interests, the Debtors believe that the concerns raised in the equityholders' responses have been addressed.²

¹ Only one holder requested that an expunged claim be retained in addition to the surviving claim. This holder asserted that a different claim be expunged as a duplicate.

² The Debtors are withdrawing their objection with respect to one equityholder because he has asserted that his proof of claim sets forth claims in addition to his common stock ownership. The Debtors reserve their right to object to this claim at a later date. The Debtors also received a number of informal queries from other equityholders who filed proofs of claim and whose proofs of claim would be expunged if the First Omnibus Claims Objection is granted. The Debtors responded to each of these equityholders and clarified the relief sought under the First Omnibus Claims Objection.

5. Attached hereto as Exhibit B is a proposed revised Order (the "Revised Order") with proposed revised exhibits reflecting the resolutions reached on all formal and informal responses received by the Debtors. In the Debtors' view, the Revised Order and its exhibits address and reasonably dispose of all of the responses received in opposition to the First Omnibus Claims Objection.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) granting the First Omnibus Claims Objection, subject to the modifications made to the Revised Order, (b) overruling the Responses, to the extent that any respondent asserts that such respondent's Response has not been resolved by the modifications reflected in the Revised Order, and (c) granting the Debtors such other and further relief as is just.

***Responses To The Debtors' First Omnibus Claims Objection
Organized By Objector¹***

	RESPONSE	SUMMARY OF RESPONSE	RESOLUTION OR PROPOSAL	ORDER MODIFICATION (IF ANY)
1.	Response of Terry R. Mocny Sr. (Docket No. 5205)	Mr. Mocny purchased an aggregate of \$20,000 of Delphi Corporation ("Delphi") Common Stock in 2000 and 2005 and asserts that in November 2005, Delphi sold the stock for \$.32 per share for a loss of \$17,974.64. Mr. Mocny's response asserts that Fidelity Investment Company and Delphi inappropriately continued to allow employees to invest in Delphi Common Stock in their personal savings plans.	The Debtors communicated with the respondent to clarify the relief requested in the First Omnibus Claims Objection. Respondent asserts that his proof of claim sets forth claims in addition to his common stock ownership. The Debtors therefore withdraw their objection to Mr. Mocny's proof of claim.	Mr. Mocny's proof of claim has been removed from Exhibit B to the Order.
2.	Response Of Bank Of America, NA To Debtors' First Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (I) Duplicate And Amended Claims And (II) Equity Claims (Docket No. 5247)	Bank of America agrees that it filed two claims, each of which is duplicated on the claims register. To ensure that the proper documentation remains with the claims, Bank of America requests that the surviving claims be the earlier-filed claims rather than the later-filed claims.	The Debtors have agreed to retain Bank of America claim numbers 11317 and 11470 and expunge claim numbers 13769 and 13770.	The exhibit to the Order will reflect the flipping of surviving and expunged claims.
3.	Response of Ohio Department of Taxation to Debtors' First Omnibus Objection (Docket No. 5261)	The Ohio Department of Taxation agrees that the Debtors should expunge claim 1516 and retain claim 1532.	No action necessary.	None.

¹ This chart reflects all responses entered on the docket.

	RESPONSE	SUMMARY OF RESPONSE	RESOLUTION OR PROPOSAL	ORDER MODIFICATION (IF ANY)
4.	Response Of Andrew Ladika To Debtors' First Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (I) Claims And (II) Equity Claims (Docket No. 5266)	Mr. Ladika asserts that he holds 280.8416 shares of Delphi Common Stock worth \$1,547.25 and that he filed a proof of claim to protect his shareholder interest. He requests that the Court protect his equity interests.	The Debtors communicated with the respondent to clarify the relief requested in the First Omnibus Claims Objection. The Debtors believe this addresses the concerns of the respondent.	None.
5.	NuTech's Limited Response To Debtors' First Omnibus Objection To Duplicate And Amended Claims (Docket No. 5287)	NuTech agrees that the proof of claim at claim number 871 is duplicated by claim number 1279 and has no objection to claim 871 being expunged. NuTech asserts that it filed its response to preserve its right to argue that its claim should be allowed against Delphi Automotive Systems LLC or another debtor besides Delphi Corporation.	No action necessary.	None.
6.	Response Of Cadence Innovation LLC To Debtors' First Omnibus Objection To Claims (Docket No. 5294)	Cadence requests that for each of the claims the Debtors have sought to expunge as duplicative, the Debtors retain the "Expunged Claim" and expunge the "Surviving Claim." Cadence acknowledges that the Debtors have agreed to make the requested modification.	The Debtors have agreed to reverse the disposition of each of the Cadence claims so that the claims listed as "Expunged Claims" on Exhibit B to the First Omnibus Claims Objection will become the "Surviving Claims" on Exhibit A to the First Omnibus Claims Objection Order.	The exhibit to the order will reflect the reversal of surviving and expunged claims.
7.	Response Of Brazeway, Inc. To Notice Of Objection To Claim (Docket No. 5297)	Brazeway asserts that it filed its proof of claim (claim number 15614) on a provisional basis only and that the proper surviving claim should be that of JP Morgan Chase Bank (claim number 14052), as reflected in the Debtors' First Omnibus Claims Objection.	No action necessary.	None.

	RESPONSE	SUMMARY OF RESPONSE	RESOLUTION OR PROPOSAL	ORDER MODIFICATION (IF ANY)
8.	Response of Claimant, Alice J. Banus, Trustee Of The Alice J. Banus Trust U/A/D 010600 In Opposition To Debtors' First Omnibus Objection To Equity Claims (Docket No. 5301)	The Trustee of the Alice J. Banus Trust asserts that she timely filed a proof of claim to evidence an equity interest and that the claim should not be disallowed. The Trustee asserts that despite Debtors' statement that the Bar Date Order does not require equityholders to evidence their stock ownership interest by filing a proof of claim, because the Debtors served the Trustee with a proof of claim form, any objection to the filing of the proof of claim is moot. Moreover, the Trustee asserts that expunging the proof of claim would impair entitlements that the Trustee would have under a plan of reorganization.	The Debtors communicated with the respondent to clarify the relief requested in the First Omnibus Claims Objection. The Debtors believe this addresses the concerns of the respondent.	None.
9.	Response Of Rick L. Sizemore To Debtors' First Omnibus Objection (Docket No. 5302)	Mr. Sizemore asserts that his claim should be an allowed priority claim in the amount of \$211,330.38 because his claim was not for Common Stock, but was rather for a mutual fund owned and operated by Delphi and in the interest of Delphi, based on Delphi Common Stock.	The Debtors communicated with the respondent to clarify the relief requested in the First Omnibus Claims Objection. The Debtors believe this addresses the concerns of the respondent.	None.

	RESPONSE	SUMMARY OF RESPONSE	RESOLUTION OR PROPOSAL	ORDER MODIFICATION (IF ANY)
10.	Response of Umicore Autocat Canada Corp. To Debtors' First Omnibus Claims Objection (Docket No. 5303)	Umicore states that it intended to have two claims on record – one against Delphi Corporation and one against Delphi Automotive Systems LLC. Thus, Umicore consents to relief sought by the Debtors' First Omnibus Objection to expunge claim number 12922 against Delphi Automotive Systems LLC as duplicative of claim number 12924, so long as claim number 12924 against Delphi Automotive Systems LLC and claim number 12923 against Delphi Corporation survive.	No action necessary.	None.

3. Entry of this order is without prejudice to the Debtors' right to object to any other claims in these chapter 11 cases, or to further object to claims objected to in the First Omnibus Claims Objection, on any grounds whatsoever.

4. Nothing contained herein shall constitute, nor shall it be deemed to constitute, the allowance of any of the Proofs of Claim.

5. This Court shall retain jurisdiction over the Debtors and the holders of Claims subject to the First Omnibus Claims Objection to hear and determine all matters arising from the implementation of this order.

6. Each Claim and the objections by the Debtors to each Claim as addressed in the First Omnibus Claims Objection and as set forth on Exhibits A and B hereto constitutes a separate contested matter as contemplated by Fed. **DEBTORS' RESPONSE TO OBJECTION OF OFFICIAL COMMITTEE OF
UNSECURED CREDITORS TO MOTION FOR ORDER UNDER FED. R. BANKR. P.
3003(c)(3) AND 9006(b)(1) DEEMING CERTAIN PROOFS OF CLAIM TIMELY FILED**

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates (the
"Affiliate Debtors"), debtors and debtors-in-possession in the above-captioned cases (collectively,

the "Debtors"), hereby submit this response (the "Response") to the objection dated October 16, 2006 (the "Objection") of the Official Committee of Unsecured Creditors (the "Creditors' Committee") to the Motion For Order Under Fed. R. Bankr. P. 3003(c)(3) And 9006(b)(1) Deeming Certain Proofs Of Claim Timely Filed dated September 29, 2006 (the "Motion"), and respectfully represent as follows:¹

Argument

1. The Debtors filed the Motion as a result of an extensive investigation into certain practices of The DRS Group ("DRS")² which the Debtors determined were very likely to have resulted in some timely filed proofs of claim being recorded on the Claims Agent's claims register as having been filed after the July 31, 2006 claims bar date in these chapter 11 cases (the "Bar Date"). Specifically, as detailed at length in the Motion as well as the Declaration Of Dean R. Unrue In Support of the Motion, executed October 18, 2006 and attached hereto as Exhibit A (the "Unrue Declaration"), on the Bar Date, DRS last collected proofs of claim sent to the Post Office Box at least two and one-half hours, and possibly as many as five hours, before the 5:00 p.m. deadline for claims to be received on the Bar Date. The Debtors believe that this failure – occurring on the highest volume claim filing day by far – may have resulted in some proofs of claim which were timely filed pursuant to the Order Under 11 U.S.C. §§ 107(b), 501, 502, And 1111(a) And Fed R. Bankr. P. 1009, 2002(a)(7), 3003(c)(3), And 5005(a) Establishing Bar Dates

¹ Capitalized terms used but not defined herein have the meanings ascribed to them in the Motion.

² DRS was retained by this Court's claims and noticing agent in these cases, Kurtzman Carson Consultants LLC (the "Claims Agent"), to physically retrieve all proofs of claim from the post office box to which proofs of claim were to be mailed (the "Post Office Box"), as well as to receive from the clerk of the Court proofs of claim delivered to the Court by messenger or overnight courier.

For Filing Proofs Of Claim And Approving Form And Manner Of Notice Thereof (Docket No. 3206) (the "Bar Date Order") to have been incorrectly designated as having been filed after the Bar Date.

2. This error was compounded by DRS's decision to commingle all proofs of claim collected by DRS from the Post Office Box beginning on the morning of August 1, 2006 (which would have included any proofs of claim put into the Post Office Box on the afternoon of the Bar Date) and continuing through August 9, 2006 (collectively, the "Proofs of Claim") and to erroneously file stamp the vast majority of such proofs of claim as having been received on August 9, 2006. As a result of these actions, the Debtors believe there is a very high likelihood that a significant number of these proofs of claim were in fact timely received. Therefore, the Debtors determined that the appropriate course of action was to file the Motion to apprise this Court of the issues raised by the actions of DRS and to request that this Court deem the Proofs of Claim to be timely filed as a result of the uncertainty surrounding the date and time of the receipt of each such Proof of Claim.

3. In the Objection, the Creditors' Committee expresses its desire to minimize the total amount of claims ultimately allowed against the Debtors in these cases. The Debtors certainly share that desire and are working expeditiously to further those shared interests in these cases, as evidenced by the Debtors' First Omnibus Claims Objection, in which the Debtors objected to and sought disallowance of more than 3,500 proofs of claim. The Debtors, however, do not believe it is appropriate to minimize the claims pool at the expense of innocent claimants whose rights would be prejudiced through no fault of their own if the Creditors' Committee's Objection were sustained.

4. The Creditors' Committee in the Objection expressly acknowledges that some of the Proofs of Claim may in fact be timely, but concludes that "it is likely that no mail was placed by the post office into the Post Office Box after 2:30 pm but before 5 pm" on the Bar Date. Objection ¶4. The Creditors' Committee's conclusion is apparently based solely on one conversation with an employee of the Bowling Green Post Office in which such employee stated that mail is "almost always" placed into post office boxes before noon daily, unless mail "is mistakenly placed in an incorrect [post office] box," "is incorrectly routed to a different station," or "was otherwise late arriving at Bowling Green." Id. Because neither the Debtors nor the Creditors' Committee have any basis for ascertaining whether these alleged general procedures of the Bowling Green Post Office were followed on the afternoon of the Bar Date, the Debtors do not believe that the Creditors' Committee's bold conclusion, and the attendant harm to a group of potential creditors, is sufficiently supported by these general and conclusionary statements of one postal employee.

5. Indeed, the Creditors' Committee's conclusion that it is quite likely that none of the Proofs of Claim was timely filed is unreasonable. July 31, 2006, the Bar Date, was by far the highest volume claims filing date. On that day, 2,328 proofs of claim were file stamped as received. The Creditors' Committee's conclusion thus hinges on the following two assumptions as to the Bowling Green Post Office's practices on July 31, 2006: (a) the Bowling Green Post Office perfectly adhered to its "usual" practice of sorting and placing mail in the post office boxes before noon (as a single postal worker defined "usual") and (b) none of the typical exceptions occurred (i.e., mail is sometimes mistakenly placed into the wrong post office box, mail is sometimes mistakenly routed to the wrong station, and mail sometimes arrives late for other reasons). These assumptions are belied by the very facts adduced in the Creditors'

Committee's own investigation – the post office supervisor stated that it "almost always" (Objection ¶4 (emphasis added)) adheres to its practice, thus conceding that sometimes it does not. Even if the Bowling Green Post Office operated at near perfection (i.e., sorted 95 percent of the incoming mail by noon), that would still result in more than 116 timely filed claims that DRS failed to pick up on the Bar Date.

6. Furthermore, the Debtors believe that several of the other premises underlying the Objection – namely, that the Debtors' other creditors will be unduly prejudiced by the relief sought in the Motion and that the burden should properly be placed on the individual claimants who filed the Proofs of Claim to demonstrate that their claims were timely under the standards provided by the Supreme Court in Pioneer Inv. Servs. Co. v. Brunswick Assocs. L.P., 507 U.S. 380 (1993) – are faulty. First, the Debtors do not believe that any of the Debtors' creditors is unfairly prejudiced by the relief sought in the Motion. Pursuant to the Motion, the Debtors do not now request that the Court allow any of the Proofs of Claim. In fact, the Debtors expressly reserve all of their rights to further object to any or all of the Proofs of Claim at a later date on any basis whatsoever other than that such Proofs of Claim were not timely filed. As the Debtors state in the Motion, the Proofs of Claim have not yet been reconciled and the Debtors have therefore not yet determined the likely amount at which such claims may eventually be allowed. Such claims will only be allowed in the amount that the Debtors or this Court ultimately determine to be valid obligations of the Debtors. Therefore, the Motion does not provide the claimants under the Proofs of Claim with a windfall to the detriment of the Debtors' other creditors, but rather seeks to avoid unjustly divesting such claimants of otherwise valid rights under the Bankruptcy Code as a result of actions of DRS over which these creditors had no control.

7. Second, the Debtors assert that the Creditors' Committee's interpretation of the standard under Pioneer is inapplicable to the facts here. The Debtors do not dispute that the burden of proof under Bankruptcy Rule 9006 is generally on the claimant to demonstrate that the Pioneer standard has been met. Further, as the Debtors expressly note in the Motion, the Second Circuit has noted that it has taken a "hard line" in applying the Pioneer test. See Midland Cogeneration Venture Ltd. P'Ship v. Enron Corp. (In re Enron Corp.), 419 F.3d 115, 122 (2d Cir. 2005) (stating that "[w]e have 'taken a hard line' in applying the Pioneer test"); Silivanch v. Celebrity Cruises, Inc., 333 F.3d 355, 368 (2d Cir. 2003) (same).³

8. Courts applying this standard, however, have generally addressed situations in which the claimant has actually missed a deadline and is therefore seeking relief from that deadline. Here, the Debtors are seeking the relief requested in the Motion because they cannot determine with any reasonable level of confidence which of the Proofs of Claim was timely filed and which was not. Therefore, this is not a situation in which the claimant erroneously missed a deadline and is thus required under the Pioneer standard to bear the burden of demonstrating excusable neglect. Rather this is a situation in which a party unrelated to the claimants and over which none of the claimants can exert any control has made it impossible to determine which of the Proofs of Claim is timely (such that the claimants would neither need relief under Bankruptcy Rule 9006 nor be required to make any showing under Pioneer) and which of the Proofs of Claim is untimely (such that the claimants would be subject to Pioneer). In the circumstances, the Debtors believe that it is inequitable to put the onus on a claimant

³ In Silivanch, the Second Circuit cautioned "that the equities will rarely if ever favor a party who fail[s] to follow the clear dictates of a court rule, and that where the rule is entirely clear, we continue to expect that a party claiming excusable neglect will, in the ordinary course, lose under the Pioneer test." 333 F.3d at 366-67.

(whose claim may actually have been timely filed) to seek relief from the Court or risk having its Proof of Claim automatically expunged pursuant to the provisions of the Bar Date Order.

9. The Objection also appears to suggest that the relief sought by the Debtors in the Motion is overly broad in scope. As with all of the other assertions contained in the Objection, however, scant factual support is offered. In contrast, the Debtors have, throughout their investigation of these issues, attempted to limit the scope of the relief sought in to the Motion as much as possible. Therefore, prior to filing the Motion, the Debtors reviewed each proof of claim which was stamped by DRS as having been received from August 1, 2006 to August 9, 2006 and excluded from the Motion all proofs of claim which were dated by the claimant on or after August 1, 2006, except to the extent that the date was clearly in error (e.g., a date in the future). This resulted in the Debtors excluding 16 proofs of claim asserting liquidated claims of more than \$100,000.

10. Furthermore, following the filing of the Motion, the Debtors have continued to gather additional information on the issues raised by the Motion. As a result of that further investigation, the Debtors have determined that eleven of the Proofs of Claim listed on Exhibit A to the Motion, which asserted aggregate liquidated claims in excess of \$2.3 million, were received on August 1, 2006 and were therefore not timely filed pursuant to the Bar Date Order.⁴ The Debtors therefore no longer seek relief with respect to these claims pursuant to the Motion. Following the filing of the Motion, the Debtors became aware of one additional proof of claim that falls within the parameters of the claims identified in the Motion and the Debtors

⁴ The eleven proofs of claim are claim numbers 15783, 15792, 15821, 15823, 15824, 15827, 15935, 15936, 15937, 15966, and 16013.

therefore seek to have that proof of claim (which asserts liquidated claims of approximately \$25,000) deemed timely filed.⁵

11. At all times during this process, the Debtors have also sought to provide as much transparency as possible into the relief sought by the Debtors in the Motion. Therefore, the Debtors actively sought to facilitate informal discovery by the Creditors' Committee in advance of, and following, its filing of the Objection. In addition, the Debtors clearly disclosed in the Motion that certain of the Proofs of Claim were filed by employees of the Debtors, some of whom may constitute "insiders" of one or more of the Debtors pursuant to section 101(31) of the Bankruptcy Code.⁶ Therefore, it should be clear to all parties-in-interest in these cases that the Debtors have sought solely to provide fair and equitable treatment to all of their potential creditors in these cases, which the Debtors believe is consistent with their reasonable exercise of their fiduciary duties.

12. Finally, the Debtors note that the Creditors' Committee seeks to deny the relief requested in the Motion and require each claimant affected by DRS's policies to file a separate motion to have its proof of claim determined to be timely filed. This proposal would, if accepted, likely require these claimants, many of whom are individual employees and retirees of the Debtors (see Exhibit B), to hire a New York lawyer, prepare a motion, prosecute the motion,

⁵ The proof of claim is claim number 16126.

⁶ Attached hereto as Exhibit B is a listing of all Proofs of Claim that the Debtors have identified as potentially having been filed by current or former employees of the Debtors or representatives thereof. The Debtors do not believe that the vast majority of such persons would constitute insiders of any of the Debtors. Due to inconsistent names occasionally being provided on Proofs of Claim, including married names and names of spouses or other relatives, and the fact that the Proofs of Claim have not yet been reconciled, the Debtors cannot be certain that Exhibit B is a complete listing of all Proofs of Claim that may be asserted by or on behalf of Delphi's employee workforce, which totaled more than 180,000 employees as of the Petition Date.

and take other steps to procure relief from this Court. This requirement would be very burdensome to these innocent claimants who at least attempted to comply with, and may in fact have complied with, the Bar Date Order. The Debtors do not believe that such a result is in the best interests of the Debtors or any parties-in-interest in these cases.

13. More importantly, the Debtors believe that the facts presented in the Motion (which the Creditors' Committee does not materially dispute in the Objection) would cause most, if not all, such motions to be granted by this Court. Courts in the Second Circuit have repeatedly noted that their primary focus in considering a motion to allow a late proof of claim is on the third Pioneer factor – the reason for the delay – including whether the delay was within the reasonable control of the creditor. See Enron, 419 F.3d at 122 ("we and other circuits have focused on the third factor: 'the reason for the delay, including whether it was within the reasonable control of the movant.'" (internal citation omitted)); Silivanch, 333 F.3d at 368 (same). Because the failures of DRS summarized above and outlined in the Motion and the Unrue Declaration were completely outside the reasonable control of the claimants filing the Proofs of Claim, the facts thus present the rare situation in which a claimant will be able to meet the third prong of the Pioneer test. Therefore, the Debtors respectfully assert that the Creditors' Committee's proposed procedure would be excessively costly and burdensome to all parties in these cases and would be unlikely to materially reduce the overall amount of claims that will ultimately be allowed in these cases.

14. For the reasons set forth in the Motion, the Unrue Declaration, and this Response, the Debtors aver that the relief requested in the Motion promotes the interests of fairness to all creditors of the Debtors and comports with the Debtors' fiduciary duties to their

creditors in these cases. The Debtors therefore respectfully request that the Objection be overruled and that the relief requested in the Motion be granted.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) overruling the Objection, (b) granting the Motion, subject to the modifications described herein, and (c) granting the Debtors such other and further relief as is just.

Dean R. Unrue declares as follows:

1. Delphi Corporation and certain of its subsidiaries and affiliates are debtors and debtors-in-possession in these chapter 11 cases. I submit this declaration in support of the Motion For Order Under Fed. R. Bankr. P. 3003(c)(3) And 9006(b)(1) Deeming Certain Proofs Of Claim Timely Filed, dated September 29, 2006 (the "Motion"). Capitalized terms not otherwise defined in this declaration have the meanings ascribed to them in the Motion.

2. I am a Project Leader for Delphi Corporation (which, with certain of its subsidiaries and affiliates, the debtors and debtors-in-possession in the above-captioned cases, are referred to collectively and variously herein as "Delphi" or the "Debtors"). I joined Delphi in October 1978. During the Spring of 2006, the Debtors began to organize a claims administration team with the assistance of their advisors, including FTI Consulting, Inc. and Skadden, Arps, Slate, Meagher & Flom LLP. I was designated to manage this claims administration team on a day-to-day basis and have done so since the claims administration team was organized. Consequently, I am familiar with, and personally was involved in, the events and circumstances giving rise to the Debtors' decision to file the Motion.

3. Except as otherwise indicated, all facts set forth in this declaration are based upon my personal knowledge, my review of relevant documents, my discussions with Jack Yellin and Cliff Newman of The DRS Group ("DRS"), my opinion, and my experience with and knowledge of the Debtors' claims administration processes, or are based upon knowledge obtained from Delphi employees reporting to me in the course of their duties. If I were called upon to testify, I could and would testify to the facts set forth herein.

4. On April 12, 2006, this Court entered an Order Under 11 U.S.C. §§ 107(b), 501, 502, And 1111(a) And Fed R. Bankr. P. 1009, 2002(a)(7), 3003(c)(3), And 5005(a) Establishing Bar Dates For Filing Proofs Of Claim And Approving Form And Manner Of Notice

Thereof (Docket No. 3206) (the "Bar Date Order"). Among other things, the Bar Date Order set 5:00 p.m. (Eastern Standard Time) on the Bar Date as the deadline by which proofs of claim had to be actually received by the clerk of this Court in order for such proofs of claim to be timely filed. In accordance with paragraph 12 of the Bar Date Order, Kurtzman Carson Consultants, LLC, the claims and noticing agent in these cases (the "Claims Agent"), provided notice of the Bar Date by mailing a notice of bar date approved by this Court (the "Bar Date Notice"), together with a proof of claim form, to more than 500,000 potential parties-in-interest. The Debtors also published the Bar Date Notice in nearly 40 newspapers and other publications and posted the Bar Date Notice on the Delphi Legal Information Website, www.delphidocket.com. Consistent with the Bar Date Order, the Bar Date Notice advised each recipient that proofs of claim had to be actually received by the clerk of this Court no later than 5:00 p.m. (Eastern Standard Time) on the Bar Date in order for such proofs of claim to be timely filed.

5. After the Bar Date, the Debtors noticed certain abnormalities in the entry onto the claims register of proofs of claim that appeared to have been received by DRS after the Bar Date. DRS was engaged by the Claims Agent to physically retrieve all proofs of claim from the post office box to which proofs of claim were to be mailed pursuant to the Bar Date Order (the "Post Office Box"), as well as to receive from the clerk of the Court proofs of claim delivered to the Court by messenger or overnight courier. Specifically, the claims register reflected a disproportionate number of proofs of claim as having been received on

August 9, 2006. The chart below summarizes the number of claims entered on the claims register between August 1, 2006 and August 25, 2006.

6. After noticing this abnormality, the Debtors immediately undertook an extensive investigation of the procedures of both the Claims Agent and DRS for the recording of proofs of claim both prior to the Bar Date and in the days immediately thereafter. This investigation revealed that DRS's general practice was to retrieve mail from the Post Office Box twice daily. The first mail retrieval occurred in the morning, generally around 9:00 a.m., and the second mail retrieval occurred in the early afternoon, generally between noon and 2:30 p.m. On the Bar Date, DRS did not alter its general practice and last retrieved mail from the Post Office Box in the early afternoon on the Bar Date. DRS adhered to its practice of only checking the Post Office Box between two and one-half and five hours prior to the Bar Date deadline despite the fact that the volume of claim forms arriving at the Bowling Green Post Office was at its peak.

Indeed, the total number of proofs of claim stamped as filed on the Bar Date was 2,328 (or approximately 14 percent of the total number of proofs of claim filed in the chapter 11 cases), far exceeding the second highest volume of 1,598 proofs of claim on July 28, 2006. It is likely that a very significant number of proofs of claim that may have been timely received into the Post Office Box in accordance with the Bar Date Order were not collected by DRS from the Post Office Box until the morning of August 1, 2006.

7. On August 1, 2006, DRS again collected mail from the Post Office Box on two occasions – first in the early morning and last in the early afternoon. DRS continued to collect mail from the Post Office Box at least once daily on each day following the Bar Date. Beginning with the proofs of claim collected by DRS from the Post Office Box on the morning of August 1, 2006 and continuing through August 9, 2006, DRS did not segregate proofs of claim by the date received, but rather commingled all such proofs of claim. On August 9, 2006, DRS stamped the vast majority of proofs of claim collected from the Post Office Box between August 1, 2006 and August 9, 2006 with an August 9, 2006 receipt date. Such proofs of claim, however, could have been received into the Post Office Box at any point in time from mid-afternoon on the Bar Date through mid-afternoon on August 9, 2006. DRS apparently discarded all envelopes in which such proofs of claim had been received.

8. As a result of the Debtors' investigation, I believe it is very likely that a significant number of the proofs of claim listed on Exhibit A to the Motion may have been timely filed under the Bar Date Order. Because the proofs of claim that were collected from the Post Office Box between August 1, 2006 and August 9, 2006 were not necessarily stamped with the accurate date of receipt and because the envelopes for such proofs of claim (which potentially could have aided the Debtors in determining when each such proof of claim had actually

been received) are not available, the Debtors cannot determine with any certainty which of the Proofs of Claim were timely filed and which were not.

9. To limit the scope of the relief sought pursuant to the Motion, the Debtors reviewed each proof of claim that was stamped by DRS as having been received from August 1, 2006 to August 9, 2006 and excluded all proofs of claim that were dated by the claimant on or after August 1, 2006, except to the extent that the date was clearly in error (e.g., a date in the future). This resulted in the Debtors' excluding 16 proofs of claim asserting liquidated claims of more than \$100,000. Further, following the filing of the Motion, the Debtors have continued to gather additional information on the issues raised by the Motion. As a result of that further investigation, the Debtors have determined that eleven of the proofs of claim listed on Exhibit A to the Motion (the proofs of claim listed on Exhibit A to the Motion less the eleven proofs of claim referenced herein, the "Proofs of Claim"), which asserted aggregate liquidated claims in excess of \$2.3 million, were received on August 1, 2006 and were therefore not timely filed pursuant to the Bar Date Order.¹ The Debtors therefore no longer seek relief with respect to such claims in the Motion. Following the filing of the Motion, the Debtors became aware of one additional proof of claim that fell within the parameters of the claims described in the Motion and the Debtors therefore seek to have that proof of claim (which asserts liquidated claims of approximately \$25,000) deemed timely filed.²

10. As a result of the Debtors' investigation, which uncovered all of the facts described above, the Debtors are unable to conclusively determine which, if any, of the Proofs of Claim was in fact received by DRS after the Bar Date. This inability is a result of the failure to

¹ The eleven proofs of claim are claim numbers 15783, 15792, 15821, 15823, 15824, 15827, 15935, 15936, 15937, 15966, and 16013.

² The proof of claim is claim number 16126.

segregate the Proofs of Claim that may have been placed into the Post Office Box after noon or 2:00 p.m. but before 5:00 p.m. on the Bar Date from those Proofs of Claim that were received after 5:00 p.m. on the Bar Date through August 9, 2006. Such failure was outside the reasonable control of the claimants filing the Proofs of Claim. I, along with the other members of the Delphi claims administration team, determined that it was appropriate to bring this situation to this Court's attention and to seek the relief requested in the Motion. I believe that deeming the Proofs of Claim to be timely filed also comports with fundamental principles of fairness to all creditors and other parties-in-interest in these cases.

I declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the foregoing statements are true and correct.

Executed on October 18, 2006, in Troy, Michigan.
